SALEM.

SALEM, Dec. 24.—[Special]—Many of the students of Roanoke College have gone home to spend Christmas.

President Dreher left Monday to spend the holiday with his mother near Columbia, S. C. Dr. William B. Yonce leave, to-morrow for Wytheville to spend a few days.

Hon. S. F. Dwight, superintendent of schools of Choctaw Nation, Indian Territory, brought another Indian boy to Roanoke College. He visited the five boys who are already there and expressed himself well pleased with the college. Mr. Dwight is a fine specimen of Indian manhood. He is a graduate of Center College, Danville, Ky. He is the fourth superintendent to visit Roanoke College in the discharge of official business during the twenty years that Indians boys have been in attendance.

A young negro boy, tired of trudging in the snow, concluded to take a ride, so he appropriated a horse and buggy belonging to Dr. O. Wiley, but was found by a son of Dr. Wiley near Lake Spring. The negro ran, and Mr. Wiley gave pursuit and captured him near Hookman's block on Union street. The negro was taken after having run nearly two miles.

Remarkable Rescue.

Mrs. Michael Curtin, Plainfield, Ill., makes the statement that she caught cold, which settled on her lungs; she was treated for a month by her family physician, but grew worse. He told her she was a hopeless victim of consumption and that no medicine could cure her. Her druggist suggested Dr. King's New Discovery for consumption; she bought a bottle and to her delight found herself benefited from first dose. She continued its use and after taking ten bottles, found herself sound and well, now does her own housework and is as well as she ever was. Free trial bottles of this Great Discovery at Budwell, Christian & Barbee's drug store; large bottles 50c. and \$1.00.

A Lady in Texas Writes:

My case is of long standing, has had many physicians; have tried every remedy I could hear of, but Bradfield's Female Regulator is all that relieved me. Write The Bradfield Regulator Co., Atlanta, Ga., for further particulars. Sold by all druggists.

A Boon to Wives.

Having used "Mother's Friend" I would not be without it. It is a boon to wives who know they must pass through the painful ordeal of childbirth. Mrs. C. Melbourne, Iowa. Write The Bradfield Regulator Co., Atlanta, Ga., for further particulars. Sold by all druggists.

Merits Wins.

We desire to say to our citizens, that for years we have been selling Dr. King's New Discovery for Consumption, Dr. King's New Life Pills, Burdock's Arnica Salve and Electric Bitters, and have never handled remedies that sell as well, or that have given such universal satisfaction. We do not hesitate to guarantee them every time, and we stand ready to refund the purchase price, if satisfactory results do not follow their use. These remedies have won their great popularity purely on their merits. Budwell, Christian & Barbee druggists.

A weak back, with a weary aching lameness over the hips, is a sign of diseased kidneys. Use the best kidney curative known, which is Burdock Blood Bitters.

Happy Hostess.

Wm. Timmons, Postmaster of Idaville, Ind., writes: "Electric Bitters has done more for me than all other medicines combined, for that bad feeling arising from Kidney and Liver trouble." John Leslie, farmer and stockman, of same place, says: "Find Electric Bitters to be the best Kidney and Liver medicine, made me feel like a new man." J. W. Gardner, hardware merchant, same town, says: "Electric Bitters is just the thing for a man who is all run down and don't care whether he lives or dies; he found new strength, good appetite and felt just like he had a new lease on life." Only 50c. a bottle, at Budwell, Christian & Barbee's drug store.

At the closing of a successful year, and handling such a large stock of clothing, we naturally have many small lots left, consisting of from one to four suits of a kind, amounting altogether to about 200 suits. Quite an assortment you will say, and you are correct, and all this season's goods too, and of every proper style. But we haven't a full assortment of sizes, and we do not propose to keep them. We propose to put them on our job counters and divide into two grades: First counter—Your choice suit, \$11; some of these suits are worth \$18. Second counter—Choice suits \$7.50; some of these suits are worth \$14. Ask for these counters and select your own suit,

MINERAL LAND.

I offer for sale 201 acres of Coal and Iron Land, situated in the Catawba valley of Virginia, eleven miles from Roanoke. The outlook for great developments on this property is splendid. The ore is a vein of soft brown hematite 32 feet wide and assaying 50 per cent. metallic iron. And the coal prospects are fine—two shafts having been sunk, one 20 and the other 25 feet, through solid coal slate. The property also contains a mineral spring, which the analysis of Lehmann & Mager proved to possess remarkable curative powers for all kidney troubles, especially for diabetes. The enormous quantity of coal and ore that will be required for the large number of furnaces and other industrial plants in course of construction in Southwest Virginia will greatly increase the already large demand for these minerals, and consequently enhance the value of such property. Two railroads have been surveyed near the property, one of which the Roanoke and Craig railroad, and the other, the Virginia Western railroad, will afford valuable connections. Fuller information can be had by addressing H. ROSENHEIM, 413 W. Baltimore St. Baltimore, Md. nov8-3m

Southwest Virginia Mineral,

Timber, Farm and City Property

Agency.

Principal Office, Roanoke, Virginia.

The undersigned have opened an office for the sale of mineral, timber and farm land, and city property on commission. They will develop mineral lands, analyze ore, give instructions for developing on a reasonable charge, acquire and timber lands. All mineral, farm and timber lands listed with them for sale will be extensively advertised through agencies in the Northern States and Europe. A record of all ores, their analyses and location will be kept in our office for inspection of buyers.

MINERALS A SPECIALTY.

All persons having mineral, farm or timber lands are requested to list them with us for sale. The long experience of our senior, Mr. J. A. Dalby, in mining and sale of real estate warrants us in assuring our patrons that their interests will be properly guarded in the sale of their property, and all money coming into their hands will be promptly paid over. Owners may, if preferred, employ their special agent or attorneys.

Persons, in sending descriptive list of property, are especially cautioned against giving overdrawn descriptions, as it lessens chances of sale. We also advise against giving options on mineral properties, they often interfere with sales and lead to litigation.

We shall do a legitimate commission business.

Active, reliable agents wanted in every county in Southwest Virginia.

All city property listed with us will have prompt attention, and sold to best advantage.

We have booked for sale a list of improved and unimproved property, business and dwelling houses in different sections of the city.

Persons wishing to buy or sell are respectfully invited to call on us.
